Filing of Revocation and Power of Attorney

Applicants resubmits the Revocation and Power of Attorney for this matter as attached hereto. This document was originally filed May 16, 2003 (see enclosed copies at Exhibit A). This Power was not accepted on the grounds that the Power was from the Assignee and the certificate required by 37 C.F.R. 3.73(b) had not been received. (See copies at Exhibit B). However, assignments were recorded May 16, 2003 (see enclosed copy of Notice of Recordation at Exhibit C).

Accordingly, it is requested that the Power of Attorney attached hereto be accepted in the above application.

Respectfully submitted,

Assignment

WHEREAS, We, the undersigned inventors, have made certain inventions or discoveries (or both) as set forth in an application for Letters Patent of the United States of America, entitled **Therapeutic Agents and Autoimmune Diseases**, bearing Patent No. 6,287,563 and issued on September 11, 2001;

WHEREAS, University of Bristol, a university organized and existing under the laws of England, and having an office and place of business at Research Ventures Group; Senate House, Tyndall Avenue; Clinton; Bristol BS9 1TH, Great Britain, and, together with its successors and assigns is hereinafter called "Assignee", and is desirous of acquiring the title, rights, benefits and privileges hereinafter recited;

NOW THEREFORE, for valuable consideration furnished by Assignee to us, receipt and sufficiency of which we hereby acknowledge, we hereby, without reservation:

1. Assign, transfer and convey to Assignee the entire right, title and interest in and to said inventions and discoveries, said application for Letters Patent of the United States of America, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation and convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent, reissues and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent;
2. Authorize Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in our names or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or otherwise;
3. Authorize and request the Commissioner of Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patents to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;
4. Warrant that we have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that we have good right to assign the same to Assignee without encumbrance;
5. Bind our heirs, legal representatives and assigns, as well as ourselves, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to us or them, all acts reasonably serving to assure that said inventions and discoveries, said patent applications and said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by us, our heirs, legal representatives and assigns if this assignment had not been made; and par-
